

Rental Power On Demand

Rent For Results. You are in business to get results. That means having energy when you need it. Our fleet is the most modern in the industry, and it's made up of units with brand new equipment, exclusively for rental. They'll take whatever your application dishes out: heat, cold, moisture, salt air, chemicals, dust. We'll do the legwork, you get the equipment- delivered, installed, fueled up and ready to run.

Don't wait for an emergency. Plan now.

- Set up a contingency plan, so all your facilities are fully prepared.
- Plan for business recovery after a storm, fire, or flood.
- Stand first in line for equipment in emergencies.
- Handle all service and maintenance through a single point of contact.
- Get technical support straight from the factory, if you need it.
- Send your staff to rental project training workshops.

Rental Equipment Line-up

CHILLERS

- 20 Ton – 500 Ton Air Cooled
- 100 Ton – 1000 Ton Water Cooled
- Skid Mounted Units Available 150 Ton and Below
- Trailer Mounted Modules Available 150 Ton and Above
- Low Temperature Unit Available

Permanently mounted in ISO containers and available in cooling capacities of up to 500 tons, our chiller modules arrive on-site ready to work. Integral pumps, motor control centers, strainers and valves are all included, taking the guesswork out of your installation. Smaller, skid-mounted chillers are also available, with or without separate pumps.

GENERATORS

- Diesel-Driven
- 50/60 HZ
- 120/208 – 277/480 VAC
- 5kW – 2000kW
- Std/Quiet/Super Quiet
- Skid/Trailer Mounted
- Dual Simultaneous Voltage Available

Reliable Cat Rental Power is always available from our rental fleet, one of the largest in the Northeast. Prime standby or emergency power; we're ready when you need it, where you need it. From plant shutdowns to entertainment, construction to equipment testing, Foley Power Systems has the electronic power you require.

AIR CONDITIONERS

- 5 Ton – 90 Ton Units
- Thermostatically Controlled
- Fixed and Variable Speed Fans
- 0 – 19,500 CFM
- Temporary Ducting
- Skid/Trailer Mounted

With individual units capable of generating 80 tons of cooling capacity, our direct expansion air conditioners produce up to 19,500 cfm of cool, dry air for tent, warehouses, data centers, manufacturing processes, anywhere you need conditioned air.

OIL FREE AIR COMPRESSORS

- 185 CFM – 1600 CFM
- Oil Flooded and Oil Free
- High Pressure Units
- Skid/Trailer Mounted
- Electric or Diesel Powered

Our air compressors are known for high efficiency, easy maintenance and reliability. They are designed for safe, continuous use. Detailed curbside instrumentation panels have many features, including tachometer, compressor air pressure, hourmeter, voltmeter, engine oil pressure, water temperature and fuel level gauges.

GENERATOR ACCESSORIES

- Transformers
- Distribution Panels 100 AMP – 2400 AMP
- Fused Disconnects
- Automatic Transfer Switches
- Fuel Tanks 500 Gal – 2500 Gal
- Over 6 Miles of Distribution Cable
- 20 AMP Twist Lock – 400 AMP Camlok

CHILLER ACCESSORIES

- Water Hose, 4" – 8" Flanged/Camlok/Victaulic
- Flex Duct
- Fabric Duct
- Air Handlers 20 – 150 Ton
- Pumps to 500 GPM

Accessories include over 1,000 feet of water hose as well as all the reducers, elbows and manifolds required to get chilled water where you need it quickly and efficiently. Chilled air can also be easily moved to precise locations utilizing flex or fabric duct.

HEATERS

- Natural Gas/Propane Units 300k to 4M BTU
- Electric Units 40kW – 150kW
- 200 CFM – 22,000 CFM
- 85° - 600° Discharge
- Temporary Ducting
- Thermostatically Controlled

Whether you're heating a tent for a special event, curing a concrete pad or providing temporary emergency heat to a building, we have the equipment and expertise to help you do the job right.

USED GENERATORS

As a result of our extensive industry resources and inventory of rental generators, Foley Power Systems is proud to offer quality used Caterpillar and other manufacturer's generators. We feature low hour models in a wide variety of configurations. All have been inspected by our expert service technicians, and many are backed by a warranty. Foley Power Systems has the used generator for all your power needs. For a complete listing of our used generator inventory visit www.foleyinc.com.

Complete Product Line

Our unmatched product support services include set up, installation and equipment removal.

Compressed Air

AIR COMPRESSORS & DRYERS

375 CFM	900 CFM
600 CFM	1,300 CFM
750 CFM	1,600 CFM

Power

GENERATOR SETS

60 kW	300 kW	800 kW
75 kW	350 kW	1,000 kW
100 kW	400 kW	1,500 kW
125 kW	500 kW	2,000 kW

All units are sound attenuated and trailer mounted.

CABLES/POWER CORDS

4/0 Camlock Cable

FUEL TANKS

DIESEL

1,000 Gallon
2,000 Gallon

TRANSFORMERS

50 kVA	1500 kVA
100 kVA	2000 kVA
300 kVA	2,500 kVA
500 kVA	3,000 kVA
750 kVA	5,000 kVA
1,000 kVA	

DISTRIBUTION PANELS

2,400	AMP Main Panel
1,200	AMP Multi Purpose
400	AMP Splitter Panel
200	AMP Quad Box Feeder Panel
100	AMP Duplex Panel

LOAD BANKS

Resistive/Reactive

100 kW	1,000 kW
250 kW	1,500 kW
400 kW	2,000 kW
800 kW	2,690 kW

Temperature Control

AIR CONDITIONERS

1 to 5 ton A/C Units	40 ton A/C Units
10 ton A/C Units	60 ton A/C Units
20 ton A/C Units	85 ton A/C Units
30 ton A/C Units	90 ton A/C Units

12" and 20" Duct and Wyes available

CHILLERS

30 Ton Air Cooled	300 Ton Air Cooled
60 Ton Air Cooled	400 Ton Water Cooled
100 Ton Air Cooled	500 Ton Water Cooled
150 Ton Air Cooled	1,000 Ton Water Cooled
200 Ton Air Cooled	

Air Handlers, Hose, Pumps and Cooling Towers and Heat Exchangers available.

LP/NG HEATERS

150,000	BTU
400,000	BTU
700,000	BTU
2,000,000	BTU
3,500,000	BTU
