Unless within said twenty-four (24) hours (excluding weekends and holidays) Lessee gives written notice to Lessor specifying any defect in, or other proper objection to the Equipment, Lessee agrees that it shall be conclusively presumed as between Lessor and Lessee that Lessee has fully inspected the Equipment, that the Equipment is in full compliance with the terms of this rental/lease agreement, and in good condition and repair, and that Lessee is satisfied with, and has accepted the Equipment. If Lessor so requests, Lessee shall furnish Lessor with a written statement of the foregoing.

If a joint inspection is not demanded Lessor shall be the sole judge of the need for repairs and reconditioning, the cost of which is to be paid by Lessee as hereinafter provided.
8. **INSURANCE:** Lessee shall keep Equipment insured against all risks of loss or damage from every cause whatsoever for not less than the full new replacement value thereof and shall carry General Liability Insurance, both personal injury and property damage, covering Equipment. In case of the failure of Lessee to procure or maintain said insurance, Lessor shall have the right but shall not be obligated to affect such insurance or compliance on behalf of Lessee.
